“The world provides more space and opportunities for innovators than our company does, and it is almost impossible to keep track of it. Mergeflow's solution provides you a chance and helps effectively to discover the needle in the haystack.”

Evgeni Rehfuss

Head of New Products & Markets, Corporate Innovation
BSH | www.bsh-group.com

“Mergeflow helps us identify many ‘application leads’—that is, evidence that a specific company is either using or providing technologies like ours. Discovering these leads is the most difficult part of our market research, given the sea of information online. Once we have a lead, the rest of our research is more straightforward.”
